PORT CIRCULAR NO. 2/2008

PILOTAGE EXEMPTION CERTIFICATE

The Penang Port Commission as provided by Section 70B of Penang Port Commission Act 1955 requires all vessels of 600 gross tonnage and more whilst navigating within the Compulsory Pilotage District, and all vessels of 200 gross tonnage and above berthing at Penang Port Commission wharves to be under pilotage by a licensed pilot.

Pilotage exemption may be granted to masters of vessels within the Compulsory Pilotage District for particular movements and conditions. Pursuant to issuance of Pilotage Exemption Certificate and in exercise of the powers conferred by Section 70B of Penang Port Commission Act 1955, the Penang Port Commission makes the following procedures.

1. Application

This procedure shall apply to masters of vessels seeking pilotage exemption within the Compulsory Pilotage District of the Port of Penang.

2. Interpretation

'anchorages' means designated anchoring areas as declared in Port (Penang) Rules 1953;

'Chief Marine Officer' means any officer appointed by the Commission to be in charge of the Marine Department and includes his assistants and any other officer acting under or with his authority;

'collision regulations' means regulations made under Merchant Shipping (Collision Regulations) Order 1984;

'Commission' means the Penang Port Commission established under Section 3 of the Penang Port Commission Act 1955;

'Compulsory Pilotage District' means a pilotage district as declared by notification in the gazette PU. (B) 61 dated January 31st, 1985;

'master' includes every person, except a pilot, having for the time being the command or charge of any vessel;

'Pilot Boarding Ground' means the point where a pilot embarks or disembark a vessel for the purpose of piloting the vessel to any point as determined by the Commission;

'Pilotage Committee' means the Pilotage Committee appointed under section 70D of Penang Port Commission Act 1955;

'Port Control' means a vessel traffic management centre located at North Butterworth Container Terminal.

3. Procedures for masters of vessels seeking pilotage exemption

- 3.1 Pilotage exemption may be granted to masters of vessels within the Compulsory Pilotage District for the following movements:
 - 3.1.1 Pilot Boarding Ground to anchorages;
 - 3.1.2 Anchorages to Pilot Boarding Ground; and
 - 3.1.3 Within the Compulsory Pilotage District.
- 3.2 Pilotage exemption may be granted for the following operations:
 - 3.2.1 Operating a cruise vessel on fix itineraries;
 - 3.2.2 Operating a passenger ferry of 200 gross tonnage and above on fix itineraries;
 - 3.2.3 Engage in dredging, reclamation and other marine works within port limit;
 - 3.2.4 Towing/pushing non-propelled barges of 600 gross tonnage and above; and
 - 3.2.5 Operating a bunker vessel or water boat of 200 gross tonnage and above.
- 3.3 No pilotage exemption may be granted for movements to and from the Commission's wharves except to masters of bunker vessels loading bunkers and supplying bunkers to vessels at wharves via double banking.

- 3.4 Masters of vessels seeking exemption shall satisfy the following conditions:
 - 3.4.1 Complete at least 2 movements inwards and 2 movements outward under compulsory pilotage within the preceeding 6 months; and
 - 3.4.2 Posses a good knowledge of the port waters, local conditions and the port's rules and regulations.
- 3.5 Application for pilotage exemption shall be submitted by the master or his/her agent to the Commission by using prescribed form as per Appendix 1 together with copies of relevant certificates. Qualified candidates will be required to appear before the Commission for an oral examination where the master's knowledge of the port will be assessed.
- 3.6 Sucessful candidates will be granted a pilotage exemption for a period to be determined by the Commission and shall be subjected to the following conditions:
 - 3.6.1 The exemption is issued under the name of the master and the vessel he/she is in command at the time of application;
 - 3.6.2 Vessels shall be equipped with proper communication and navigational equipment as required under the SOLAS Convention;
 - 3.6.3 Vessels shall report their arrival, departure and movements within the port to Port Control on VHF Ch. 12.

 No vessel including pilot exempted vessels shall enter, depart or move within port waters without prior permission from Port Control;
 - 3.6.4 No vessel shall impede the safe passage of a deep draft vessel whilst navigating within the port waters;
 - 3.6.5 All vessels shall navigate at safe speed and in no case exceed 12 knots. Vessels navigating within 300 metres of wharves or other mooring structures shall not exceed 8 knots;
 - 3.6.6 The use of auto pilot is strictly prohibited whilst navigating within the port waters;
 - 3.6.7 The master shall comply with all rules, regulations, notices, directives and instructions that are applicable for safe navigation; and

3.6.8 The Commission reserves the right withdraw the exemption at any time without any notice or reason.

This procedure is effective with immediate effect.

Please be guided accordingly, thank you.

Yours sincerely

(Norlaila binti Ibrahim) General Manager Penang Port Commission
